Using Color to Improve my Paragraphs

Learning Target: I can improve my writing by adding color to my paragraph.

Directions:

1. Read your paragraph silently to yourself and **highlight** the first word in each sentence.
 - Do any of your sentences start the same way?
 - If so, this would be a good place to add some start its.
2. Use the checklist below and **ADD/WRITE** the color to/on your paragraph.
3. **Underline** the things you add in the correct color.
4. Using the chart below, add color to your writing. **CHECK** each box as you complete it.
5. YOU MUST complete **one** from each row to be proficient.
